**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without competition amongst internet service providers, consumers like me will pay more and get poorer service, an essential service needed in running my banking, business and much of daily activity. I believe that competition produces innovations that benefits all involved. Large greedy providers should be reined in and not be allowed to kill small ones.
